INFORMATION OF ELN

ELN are designated as financial assets at fair value gain through profit or loss. The ELN is subject to mandatory redemption clause at a strike price until maturity dates depending on the market price of the CCB Share or ICBC Share underlying the ELN.

At the maturity date, if the ELN is still outstanding, depending on the market price of the CCB Share or ICBC Share and their strike price, the ELN will be redeemed by the issuer at the principal amount in cash or shares.

REASONS AND BENEFITS OF THE MAJOR TRANSACTIONS

The Group's principal activities are property investment, property development, investment in securities and loan financing.

LETTER FROM THE BOARD

The Directors has a view that ELN is one of the investment options that can earn potentially higher interest income (in the form of interest rates) than normal market deposit; and ELN does not have any brokerage charges and clearing fees on the purchase of the underlying shares until the time when the underlying shares are delivered. By capitalising on share movements, it is an opportunity to maximise market opportunities by earning more attractive interest rate, moreover, ELN has a flexible choice in terms of the share counters and tenors.

Having considered the above factors and the terms of ELN, the present market conditions of the stock market and the track record of both CCB Share and ICBC Share, the Directors (including the independent non-executive Directors) are of the view that each of the Aggregate Transactions (CCB) and Aggregate Transactions (ICBC) is fair and reasonable, on normal commercial terms and in the interests of the Company and its Shareholders as a whole.

FINANCIAL EFFECTS ON THE GROUP

It will decrease the amount of cash of the Group by the amount of consideration paid for the Aggregate Transactions (CCB) and Aggregate Transactions (ICBC). They are expected to have no material impact on the consolidated assets and the earnings of the Group.

ADDITIONAL INFORMATION

Your attention is also drawn to the additional information set out in the appendices to this circular.

Yours faithfully,
For and on behalf of
Easyknit International Holdings Limited
Kwong Jimmy Cheung Tim
President and Chief Executive Officer

1. FINANCIAL SUMMARY OF THE GROUP

The published audited consolidated financial statements of the Group for the years ended 31 March 2013, 2014 and 2015 and the interim results for the six months ended 30 September 2015 are disclosed in the annual reports and interim report respectively of the Company. They can be accessed on the website of the Company (www.easyknit.com) and the website of the Stock Exchange (www.hkexnews.hk).

2. WORKING CAPITAL

The Directors are of the opinion that, after taking into account of the Aggregate Transactions (CCB), Aggregate Transactions (ICBC) and its present available financial resources, the Group will have sufficient working capital for its present requirements and for the period up to 12 months from the date of this circular in the absence of unforeseen circumstances.

3. INDEBTEDNESS

At the close of business on 30 November 2015, being the latest practicable date for ascertaining this information prior to the printing of this circular, the Group had outstanding bank borrowings of approximately HK\$1,035 million, which were guaranteed by the Company and were secured by certain properties of the Group.

Apart from as disclosed above and intra-group liabilities, the Group did not have at the close of business on 30 November 2015 any debt securities authorised or created but unissued, issued and outstanding or agreed to be issued, bank overdrafts, loans or other similar indebtedness, liabilities under acceptances (other than normal trade bills) or acceptance credits, debentures, mortgages, charges, finance leases, hire purchase commitments, guarantees or other material contingent liabilities.

4. FINANCIAL AND TRADING PROSPECTS OF THE GROUP

As mentioned in the interim report of the Company for the six months ended 30 September 2015, the economic data in the United States (“US”) has been sending mixed signals and causing uncertainty about the US recovery as well as speculation about the timing of interest rate hike.

In Asia, the economic outlook remains generally favourable, although Mainland China experienced the slowest growth in recent years, which is expected to cloud the region’s economic outlook. As Hong Kong’s economic performance hinges on global economic and financial conditions, these uncertain factors may affect property market sentiment in the months ahead. However, we expect the market to remain buoyant with more projects coming onto the market at competitive pricing levels and strong end user demand driving sales.

The Group will continue to closely monitor market changes and proactively refine its sales and pricing strategies of PAXTON according to the market conditions. It will adopt specific measures to speed up the sales of inventory and cash inflows. Meanwhile, it will accelerate the development pace and strive to swiftly destock saleable resources in order to enhance its competitiveness in the market.

In addition, the Group will continue to adhere to its principle of steady development and endeavor to improve the development of existing projects so as to increase the asset turnover rate. Meanwhile, the Group strives to improve the debt structure, adjust the projects' management system in respect of management models and construction cost in order to enhance the profitability of the Group.

5. MATERIAL CHANGE

The Directors are not aware of any material adverse change to the financial or trading position of the Group since 31 March 2015, being the date to which the latest published audited financial statements of the Company were made up, up to and including the Latest Practicable Date.

TO THE DIRECTORS OF EASYKNIT INTERNATIONAL HOLDINGS LIMITED

We have completed our assurance engagement to report on the compilation of pro forma financial information of Easyknit International Holdings Limited (the “Company”) and its subsidiaries (hereinafter collectively referred to as the “Group”) by the directors of the Company (the “Directors”) for illustrative purposes only. The pro forma financial information consists of the unaudited pro forma statement of assets and liabilities of the Group as at 30 September 2015 and related notes as set out on pages II-1 to II-2 of the circular issued by the Company dated 8 January 2016 (the “Circular”). The applicable criteria on the basis of which the Directors have compiled the pro forma financial information are described on pages II-1 to II-2 of the Circular.

The pro forma financial information has been compiled by the Directors to illustrate the impact of an aggregate purchase of equity linked notes of China Construction Bank Corporation (the “Major Transaction (CCB)”) on the Group’s financial position as at 30 September 2015 as if the Major Transaction (CCB) had taken place at 30 September 2015. As part of this process, information about the Group’s financial position has been extracted by the Directors from the Group’s condensed consolidated financial statements for the six months ended 30 September 2015, on which no review report has been published.

Directors’ Responsibilities for the Pro Forma Financial Information

The Directors are responsible for compiling the pro forma financial information in accordance with paragraph 4.29 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “Listing Rules”) and with reference to Accounting Guideline 7 “Preparation of Pro Forma Financial Information for Inclusion in Investment Circulars” (“AG 7”) issued by the Hong Kong Institute of Certified Public Accountants (“HKICPA”).

Our Independence and Quality Control

We have complied with the independence and other ethical requirements of the “Code of Ethics for Professional Accountants” issued by the HKICPA, which is founded on fundamental principles of integrity, objectivity, professional competence and due care, confidentiality and professional behavior.

APPENDIX II UNAUDITED PRO FORMA STATEMENT OF ASSETS AND LIABILITIES OF THE GROUP (CCB ELNs)

Our firm applies Hong Kong Standard on Quality Control 1 “Quality Control for Firms that Perform Audits and Reviews of Financial Statements, and Other Assurance and Related Services Engagements” and accordingly maintains a comprehensive system of quality control including documented policies and procedures regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements.

Reporting Accountants’ Responsibilities

Our responsibility is to express an opinion, as required by paragraph 4.29(7) of the Listing Rules, on the pro forma financial information and to report our opinion to you. We do not accept any responsibility for any reports previously given by us on any financial information used in the compilation of the pro forma financial information beyond that owed to those to whom those reports were addressed by us at the dates of their issue.

We conducted our engagement in accordance with Hong Kong Standard on Assurance Engagements 3420 “Assurance Engagements to Report on the Compilation of Pro Forma Financial Information Included in a Prospectus” issued by the HKICPA. This standard requires that the reporting accountant plan and perform procedures to obtain reasonable assurance about whether the Directors have compiled the pro forma financial information in accordance with paragraph 4.29 of the Listing Rules and with reference to AG 7 issued by the HKICPA.

For purposes of this engagement, we are not responsible for updating or reissuing any reports or opinions on any historical financial information used in compiling the pro forma financial information, nor have we, in the course of this engagement, performed an audit or review of the financial information used in compiling the pro forma financial information.

The purpose of pro forma financial information included in an investment circular is solely to illustrate the impact of a significant event or transaction on unadjusted financial information of the Group as if the event had occurred or the transactions had been undertaken at an earlier date selected for purposes of the illustration. Accordingly, we do not provide any assurance that the actual outcome of the event or transaction at 30 September 2015 would have been as presented.

A reasonable assurance engagement to report on whether the pro forma financial information has been properly compiled on the basis of the applicable criteria involves performing procedures to assess whether the applicable criteria used by the Directors in the compilation of the pro forma financial information provide a reasonable basis for presenting the significant effects directly attributable to the event or transaction, and to obtain sufficient appropriate evidence about whether:

- the related pro forma adjustments give appropriate effect to those criteria; and
- the pro forma financial information reflects the proper application of those adjustments to the unadjusted financial information.

**APPENDIX II UNAUDITED PRO FORMA STATEMENT OF ASSETS
AND LIABILITIES OF THE GROUP (CCB ELNs)**

The procedures selected depend on the reporting accountants' judgment, having regard to the reporting accountants' understanding of the nature of the Group, the event or transaction in respect of which the pro forma financial information has been compiled, and other relevant engagement circumstances.

The engagement also involves evaluating the overall presentation of the pro forma financial information.

We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

TO THE DIRECTORS OF EASYKNIT INTERNATIONAL HOLDINGS LIMITED

We have completed our assurance engagement to report on the compilation of pro forma financial information of Easyknit International Holdings Limited (the “Company”) and its subsidiaries (hereinafter collectively referred to as the “Group”) by the directors of the Company (the “Directors”) for illustrative purposes only. The pro forma financial information consists of the unaudited pro forma statement of assets and liabilities of the Group as at 30 September 2015 and related notes as set out on pages III-1 to III-2 of the circular issued by the Company dated 8 January 2016 (the “Circular”). The applicable criteria on the basis of which the Directors have compiled the pro forma financial information are described on pages III-1 to III-2 of the Circular.

The pro forma financial information has been compiled by the Directors to illustrate the impact of an aggregate purchase of equity linked notes of Industrial and Commercial Bank of China Limited (the “Major Transaction (ICBC)”) on the Group’s financial position as at 30 September 2015 as if the Major Transaction (ICBC) had taken place at 30 September 2015. As part of this process, information about the Group’s financial position has been extracted by the Directors from the Group’s condensed consolidated financial statements for the six months ended 30 September 2015, on which no review report has been published.

Directors’ Responsibilities for the Pro Forma Financial Information

The Directors are responsible for compiling the pro forma financial information in accordance with paragraph 4.29 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “Listing Rules”) and with reference to Accounting Guideline 7 “Preparation of Pro Forma Financial Information for Inclusion in Investment Circulars” (“AG 7”) issued by the Hong Kong Institute of Certified Public Accountants (“HKICPA”).

Our Independence and Quality Control

We have complied with the independence and other ethical requirements of the “Code of Ethics for Professional Accountants” issued by the HKICPA, which is founded on fundamental principles of integrity, objectivity, professional competence and due care, confidentiality and professional behavior.

Our firm applies Hong Kong Standard on Quality Control 1 “Quality Control for Firms that Perform Audits and Reviews of Financial Statements, and Other Assurance and Related Services Engagements” and accordingly maintains a comprehensive system of quality control including documented policies and procedures regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements.

Reporting Accountants’ Responsibilities

Our responsibility is to express an opinion, as required by paragraph 4.29(7) of the Listing Rules, on the pro forma financial information and to report our opinion to you. We do not accept any responsibility for any reports previously given by us on any financial information used in the compilation of the pro forma financial information beyond that owed to those to whom those reports were addressed by us at the dates of their issue.

We conducted our engagement in accordance with Hong Kong Standard on Assurance Engagements 3420 “Assurance Engagements to Report on the Compilation of Pro Forma Financial Information Included in a Prospectus” issued by the HKICPA. This standard requires that the reporting accountant plan and perform procedures to obtain reasonable assurance about whether the Directors have compiled the pro forma financial information in accordance with paragraph 4.29 of the Listing Rules and with reference to AG 7 issued by the HKICPA.

For purposes of this engagement, we are not responsible for updating or reissuing any reports or opinions on any historical financial information used in compiling the pro forma financial information, nor have we, in the course of this engagement, performed an audit or review of the financial information used in compiling the pro forma financial information.

The purpose of pro forma financial information included in an investment circular is solely to illustrate the impact of a significant event or transaction on unadjusted financial information of the Group as if the event had occurred or the transactions had been undertaken at an earlier date selected for purposes of the illustration. Accordingly, we do not provide any assurance that the actual outcome of the event or transaction at 30 September 2015 would have been as presented.

A reasonable assurance engagement to report on whether the pro forma financial information has been properly compiled on the basis of the applicable criteria involves performing procedures to assess whether the applicable criteria used by the Directors in the compilation of the pro forma financial information provide a reasonable basis for presenting the significant effects directly attributable to the event or transaction, and to obtain sufficient appropriate evidence about whether:

- the related pro forma adjustments give appropriate effect to those criteria; and
- the pro forma financial information reflects the proper application of those adjustments to the unadjusted financial information.

The procedures selected depend on the reporting accountants' judgment, having regard to the reporting accountants' understanding of the nature of the Group, the event or transaction in respect of which the pro forma financial information has been compiled, and other relevant engagement circumstances.

The engagement also involves evaluating the overall presentation of the pro forma financial information.

We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Opinion

In our opinion:

- (a) the pro forma financial information has been properly compiled on the basis stated;
- (b) such basis is consistent with the accounting policies of the Group; and
- (c) the adjustments are appropriate for the purposes of the pro forma financial information as disclosed pursuant to paragraph 4.29(1) of the Listing Rules.
